If your child completed a physical in May at Enterprise High School, your athletic director will upload the Preparticipation Physical Evaluation Form and the Physical Examination. If your child did not complete the physical in May at Enterprise High School, a current physical will need to be completed with your doctor and uploaded in Dragonfly before the students will be allowed to tryout or participate in any athletic activity. (Current Revised 2018 Physical Form can be found on the Enterprise High School Athletic page of the school website.)

If your child previously completed the NFHS Sportsmanship course the athletic director will upload this as well.
