

# Creekside School

*Dedicated to Excellence*

Dear Creekside Families,

Welcome to the upcoming 24-25 school year! We are thrilled to have you as part of our Creekside Family.

We are excited to announce some changes for the upcoming year, including the introduction of new teams for 5th and 6th grades. Our dedicated staff members have been working tirelessly to ensure that next year will be nothing short of extraordinary for your students.

As a parent, your input is valued, and we welcome your thoughts on which team you believe would be the best fit for your student. Please note that while we encourage your input, team assignments will ultimately be determined based on student need and population. Rest assured that all our teachers are highly qualified and all teams have certified teachers who are committed to your child's academic and personal growth.

Team Assignment Input forms will be available starting Friday, April 12<sup>th</sup>, at 8 am, and will remain open until Tuesday, April 30<sup>th</sup> at 4 pm. These forms can be accessed on our school website. Please ensure you have your student's lunch ID number in order to complete the form.

Additionally, we invite you to visit all Team Tables and Connections classrooms to familiarize yourself with our faculty and programs. Should you have any questions, our staff members in the blue Creekside shirts will be more than happy to assist you.

We are eagerly looking forward to meeting you and making this upcoming school year the best one yet!

In Service,

Mrs. Jennifer Sappington  
Principal, Creekside School
