

Waunakee Bike Rodeo & Bike Donation Event!!!

April 20th 9:00 – 11:00 am

The Waunakee Village Center

The Waunakee Village Center is partnering with Wheels for Winners, the Waunakee Police Department, the Waunakee Neighborhood Connection, Dream Bikes, and the Waunakee High School Mountain Biking Club to offer a free community bike rodeo and donation event!!!

The Bike Rodeo is designed to promote safe riding habits and skills for younger riders. Participants are typically Elementary to Intermediate school age (5-12). The Waunakee High School Mountain Biking Club will assist participants as they ride their bike through a series of courses that help them develop skills to avoid typical crashes as well as learning to watch their surroundings for traffic, other riders, road hazards, etc.

Wheels for Winners trained staff will be available to inspect the bikes and offer simple fixes on site. Bicycle crashes happen for many reasons, improper bike maintenance is one of those reasons. Simple things like a loose chain, poor tire pressure, loose brake cables, or even non-functioning brakes, can be a major cause of a crash. These crashes can be prevented through simple maintenance.

Wheels for Winners will be collecting gently used bikes. These bikes will be tuned up and used to support the mission of Wheels for Winners. We will also be partnering with the Waunakee Neighborhood Connection to collect bikes for Waunakee families that are in need of a dependable bike. Please call the Village Center at (608) 850-5992 with any questions.
