

HONORS ENGLISH I

Major Differences Between Honors & On-Level English I

	Honors English I	On-Level English I
Grading Percentages	60% assessments 40% daily grades	50% assessments 50% daily grades
Late Work	NO late work is accepted for credit	Work can be submitted up to 3 days late
Semester Grade	Semester grade is weighted into GPA Example: Honors → $90 \times 5 = 450/100 = 4.50$	Semester grade is NOT weighted into GPA Example: On-Level Class → $90 \times 4 = 360/100 = 3.60$
Rigor/Workload*	More independent, student- centered work More rigorous & project-based assessments Reading text depth and complexity are more challenging More work done outside of class; independent reading is required	Work is typically chunked and may be done together Little work done outside of class (unless class time is not used efficiently) Reading texts are often supported with other various learning materials.

*may vary by teacher & unit
