- 1. Call to Order**
- 2. Introductions**
- 3. Milk packaging issues follow up:** The milk packaging issue will continue for the foreseeable future. Students have adjusted to the new milk cartons despite the fat free white milk being in a “strawberry milk” looking package. Strawberry milk is still not available.
- 4. Summer meal program follow up:** Applications have been submitted but have yet to be approved for our summer sites. We learned that meal delivery will be unavailable to most families that participated last year. Families must live in a designated rural area which is indicated by a special map.
- 5. HUSD Hungry Kids Penny Drive results:** Liberty Traditional School was the winner by raising \$3026.94. Total amount raised was \$4541.26.
- 6. Fresh Fruit & Vegetable Grant:** The application was submitted for MVES.
- 7. Parent ambassadors to promote SFSP:** 2 people associated with our district have signed up to become ambassadors to help promote our Summer Food Service Program. A meeting is scheduled for May to discuss all that this new program entails.
- 8. Old business:** No old business
- 9. Between-meeting assignments:** N/A
- 10. Establish next meeting date and time:** TBA
