### Upstander Classroom Meetings

Please make sure to ask your student about what they learned about in their Upstander Classroom Meeting on April 25th.

### Free Little Library

In need of a new book to read? The Free Little Library in front of LES near the side parking lot is a place to get just that! You'll find a little freestanding box of used books. Feel free to take one OR swap it with a book you've already read. Swapping books gives you a new book to read and allows your old book to be loved by someone new. If you have books you'd like to donate, feel free to add more if there is room. Let's keep the love of reading going by sharing books!

### CARE TEAM CORNER

We know the winter months can be difficult. If you need help or resource referrals please contact Rhonda McQuilkin - Family Support Specialist 330-875-1177. You can also scan the QR code for resources and Crisis contact information.

### Pop Tab Collections

The Nimishillen Grange is continuing to collect pop tabs for the Ohio State Grange Deaf and Hard of Hearing Committee. The money collected from recycling the tabs goes to several deaf schools in Ohio. Each class is challenged to collect the most tabs. The class with the most pop tabs will win a pizza party sponsored by the Grange.

### Camp Invention® is returning to Louisville City Schools!

In partnership with the National Inventors Hall of Fame® (NIHF), Louisville Elementary School is pleased to offer the nationally acclaimed Camp Invention® program to children entering kindergarten through sixth grade. It's an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering and innovation. Activities give participants the opportunity to explore, discover and achieve while having fun!

Location: Louisville Elementary School

Dates: June 17 - 21, 2024 Time: 9:00am – 3:30pm

### Classroom Assignments

One of the most challenging aspects of the year's closure for our staff is the assignment of students for the upcoming year. It is an important task that no one takes lightly. There are many factors that are considered when class assignments are made:

- Boy/girl balance
- Ability/achievement mix
- Special service & tutoring needs
- Matching student learning to teaching style
- Gifted/talented clustering
- Behavioral challenges
- Parent input from conferences

Given the above factors, we do not advocate that parents make special requests for teachers. We have the confidence in our staff to look at each child individually and the classroom assignments that would be the best for each person. Thank you!
