

SEX OFFENDER INFORMATION

At the beginning of each school year, the district shall provide written information to parents and eligible students identifying where and how community members may obtain information related to registered sex offenders that has been collected by law enforcement agencies. This information will also be posted on the district's web site.

Adopted November 17, 2004

Legal ref: C.R.S. 22-1-124 (sex offender information for parents)
