STANLEY GOLF COURSE

Under the direction of the Recreation Commission, administered by the Recreation & Community Services staff, the Municipal Golf Course features a championship, 27-hole course with a 19-bay driving range, putting green, short game area, club house, restaurant, bar, and banquet facility. The course is generally open for play mid-March through December, weather permitting.

PARKS SECURITY

This fund is administered by the Recreation, & Community Services Department. This fund was created to accept the monthly payments from various cellular phone companies that rent space on the tower in Chelsea Park. The monies collected from this source, as per City of New Britain Resolution# 28087-2, are used to provide park security/safety, security camera systems, lights, and actual police coverage in the park system.

FAIRVIEW CEMETERY

Under the direction of the Cemetery Commission, the City operates a non-denominational burial and service site. Revenues generated via grave sales, interment fees, maintenance & service fees, and investment income help to off-set Cemetery operational costs as presented by Cemetery Committee. There are over 39,775 interments at Fairview with approximately 30,000 graves still available.

Principal Official: Erik Barbier, Director of Parks, Recreation & Community Services Department

Fee Schedule effective July 1, 2024

DOG FUND

Under the direction of the Board of Police Commissioners, the City operates a canine building located on Christian Lane where dogs are impounded daily. The facility grounds are maintained by Property Management and the Animal Control Officer. The regional State Canine Control Officer routinely inspects the facility.

The Dog Fund is primarily supported by a grant from the City's General Fund as the income generated from the sale of dog licenses is far less than necessary to support the activity. As in most Connecticut communities, it is highly improbable that the dog fund would ever be classified as self-supporting. Dog license fees, payable each June to the Town Clerk, are set by State Statutes and vary by gender, age and reproductive ability. One/half of the fees collected by the Town Clerk for dog licenses are forwarded to the State annually.

The Dog Fund is involved with the State of Connecticut Animal Population Control Program (APCP) that allows the adoption of a dog for a designated fee. Included in this fee is the vaccination/sterilization costs to the dogs prior to the adoption as well as a portion of the payment to be set aside for the City for administrative costs.

In accordance with State law and City ordinances, local canine control operations are the principle responsibility of the City's appointed Animal Control Officer.

Primary tasks are:

- The investigation of all state and local law violations pertaining to the licensing, treatment and/or neglect of dogs and other animals.
- The apprehension and impoundment of roaming animals and unlicensed dogs.
- The collection and disposition of dead animals from streets, highways and public property.
- The maintenance of the City's Dog Pound and the care and feeding of all impounded animals.
- The administration and fiscal management of all canine and canine related revenues and records systems.

SEWER OPERATING FUND

The Sewer Operating Fund is managed by the City's Public Works Department's Utility Division which is more commonly referred to as the City's Water Department. The City's sanitary sewer drain system was first established in the 1870s as the City was starting to heavily industrialize, and thus a significant portion of this system involves older infrastructure that including approximately 180 miles of sanitary sewer mains, several thousand manhole structures, and one pump station. Sewage from the City's sanitary sewer collection system delivers sewage to the Mattabassett District's Sewer Treatment located in Cromwell. More than half of the City's Sewer Operating Fund involves the City's annual payments to the Mattabassett District for their operating and capital improvement related expenditures. Sewer rates for the past several fiscal years are listed below.

Principal Officials:

Mark E. Moriarty, P.E.
Director of Public Works

Ray Esponda, P.E.
Deputy Director of Public Works,
Utilities Division Manager

Fiscal Year 2023-2024	\$4.75 per one hundred cubic feet
Fiscal Year 2022-2023	\$4.75 per one hundred cubic feet
Fiscal Year 2021-2022	\$4.85 per one hundred cubic feet
Fiscal Year 2020-2021	\$4.59 per one hundred cubic feet
Fiscal Year 2019-2020	\$4.42 per one hundred cubic feet
Fiscal Year 2018-2019	\$4.30 per one hundred cubic feet
Fiscal Year 2017-2018	\$4.24 per one hundred cubic feet
Fiscal Year 2016-2017	\$3.88 per one hundred cubic feet
Fiscal Year 2015-2016	\$3.40 per one hundred cubic feet
Fiscal Year 2014-2015	\$3.40 per one hundred cubic feet
Fiscal Year 2013-2014	\$2.84 per one hundred cubic feet

NEW BRITAIN SENIOR CENTER

The New Britain Senior Center is a comprehensive municipally administered and operated program center for elderly citizens of New Britain. The Senior Center is a place where individuals or groups can come together for services and activities which enhance their involvement in and with the community. Some of the services and activities available at the New Britain Senior Center include: Dial-A-Ride transportation services, community support services which accesses entitlement programs for the elderly, health and wellness clinics, nutritional programs including daily lunch, trip and travel activities, exercise/ dance programs as well as a variety of creative art programs.

The New Britain Senior Center also serves as a community resource for information on problems and issues. The Senior Center interacts with other elderly services throughout the community and advocates for the needs of the population in order to solve problems.

Principal Activity Officials:

Rex Cone

Senior Center Specialist

BOE MEDICAL SELF INSURANCE FUND

Employee medical benefits secured through Anthem Blue Cross/Blue Shield are self-funded. The BOE is liable for all costs associated with providing medical benefits to participating employees up to \$200,000 per person per annum. The change from an indemnity plan occurred in September, 1987 for Education and City employees. Anthem Blue Cross/Blue Shield continues to be the principal claims administrator with the exception of prescription and dental benefits for Board of Education employees. These benefits are not provided by Anthem. Alternative benefit costs are reflected in the appropriate fund of the employee. In FY 15, the Mayor proposes to have the BOE medical self-insurance costs in a separate fund (701) while the City medical self-insurance costs will continue to be charged to this fund (702).

PRINCIPAL ACTIVITY OFFICIAL:

Ann Alfano, Chief Financial Officer

City of New Britain

CITY MEDICAL SELF INSURANCE FUND

Employee medical benefits secured through Anthem Blue Cross/Blue Shield are self-funded. The City is liable for all costs associated with providing medical benefits to participating employees up to \$200,000 per person per annum. The change from an indemnity plan occurred in September, 1987 for Education and City employees. Anthem Blue Cross/Blue Shield continues to be the principal claims administrator. Benefit costs are reflected in the appropriate fund of the employee. Since the City has a varied number of labor bargaining units representing its employees, specific benefit levels may vary among each labor unit. In FY 15, the Mayor proposes to have the BOE medical self-insurance costs in a separate fund (701) while the City medical self-insurance costs will continue to be charged to this fund (702).

PRINCIPAL ACTIVITY OFFICIAL:

Jonathan M. Perugini, Finance Director

WORKERS' COMPENSATION FUND

According to the Workers' Compensation Act, employers shall secure compensation for injuries to an employee during the course of employment with the exception of those caused through negligence, intoxication, or willful injury by the employee. New Britain self-insures all of its worker's compensation liability. The City has had a budgeted fund for workers' compensation since 1977 which has been separated into its own budget section since fiscal year 1988-89.

POLICE AND FIRE HEART AND HYPERTENSION

Under Connecticut General Statute 7-433c, any full time municipal police officer or fire fighter who is disabled as the result of heart disease and/or hypertension is entitled to special benefits to protect the individual from economic losses while on disability leave. Claims are administered by the Corporation Counsel's Office.

SECOND INJURY FUND

The City also participates in the Second Injury Fund program administered by the State of Connecticut. This program provides compensation for employees re-injury or further impairment from a previous injury. Upon hiring, all prospective employees are given a physical at City's expense to identify "prior conditions" for coverage by the second injury program. The City pays the State of Connecticut 5 percent of the previous calendar year's total second injury claims. This payment is for administration services provided by the State.

GENERAL LIABILITY & RISK MANAGEMENT

PROPERTY INSURANCE

Property casualty loss and liability is funded by the general and special revenue funds. Alliant insures City real property for casualty loss. A \$25,000 deductible applies to all claims and \$1,000 deductible for scheduled assets. The City self insures its losses below the deductible and claims rejected by the insurance carrier. The annual premium is funded in the general government budget and other funds. Additions, improvements, construction-in-progress, acquisition and/or replacement values are reported annually to the insurer.

LOSS CONTROL

Policies, procedures, and reports are developed to assist the City in establishing and implementing effective loss control programs. This includes visitations of the City's Risk Management Consultant to assess hazardous conditions and assist in the removal of these problems through the use of training programs and recommended professional assistance.

CLAIMS ADMINISTRATION

Complete investigation, defense and settlement of all claims are provided.

WATER DEPARTMENT

The City's Water Utilities are managed by the City's Public Works Department's Utility Division which is more commonly referred to as the City's Water Department. The City's Water Department itself dates back to 1857 when the City's population was 4,500 and the system involves only one small reservoir. Today the City's Water Department serves approximately eighty-two thousand people in New Britain, Berlin, Newington, Farmington and Plainville, and the utility consists of six reservoirs, three wellfields, pumping stations, treatment facilities, an extensive water supply and distribution piping system. The City completed the construction of a new \$55 million Water Treatment Plant in 2000, and is planning for a nearly \$30 Mil. upgrade to the City's White's Bridge well system in Bristol which will further increase the City's raw water supply as well as to provide a back-up system of treated potable water for the main treatment plant. The City's reservoirs have a storage capacity of 2,676,572,000 gallons of raw water, and in order to have this much capacity the City acquired watershed property and reservoirs outside of the City limits. This has been done over the past 150 years, and at present the Water Department owns six thousand six hundred ninety-two acres outside the City limits.

Principal Officials:

Mark E. Moriarty, P.E.
Director of Public Works

Ray Esponda, P.E.
Deputy Director of Public Works,
Utilities Division Manager

City of New Britain

CLEAN WATER FUND

The Clean Water Fund is related to the management and maintenance of the City's storm water drainage system. This system plays a critical role in the function of the City, and as such is a critical part of the infrastructure Public Works is charged with maintaining. The City's storm water drainage network involves thousands of catch basins, manholes, and cross culverts, a number of bridges, and several major culverts that route streams and brooks around the City into large underground culverts for substantial distances. Portions of the drainage system date back to the 1870s, and nearly the entire system was installed prior to there being restrictions in place that limit peak storm water runoff flows from developed properties. Of concern is that unlike the City's sanitary sewer system, flows from the drainage system outlet go directly into ponds, streams, rivers, and brooks without any treatment so any sediment or pollutants that enter the drainage system can negatively impact wildlife, vegetation, and the quality of these water bodies. An example of this is Stanley Quarter Park Pond which is in need of dredging partially due to silt, sand and contaminants that have entered it along with storm water runoff discharges. Increased state and federal environmental regulations on the management of storm water drainage systems have been put in place in recent years. While this is positive environmentally it has resulted in communities across the country being faced with high rising costs associated with maintaining their storm water drainage systems. In recent years capacity limitations in the drainage systems have also been problematic as the City has been faced with more frequent high intensity rain events that have resulted in flooding. The Clean Water Fund helps the City address these many challenges.

Principal Officials:

Mark E. Moriarty, P.E.
Director of Public Works

Ray Esponda, P.E.
Deputy Director of Public Works,
Utilities Division Manager

Chris Polkowski & David Kunitis
Utilities Division Superintendents

City of New Britain
