

SUMNER HIGH SCHOOL

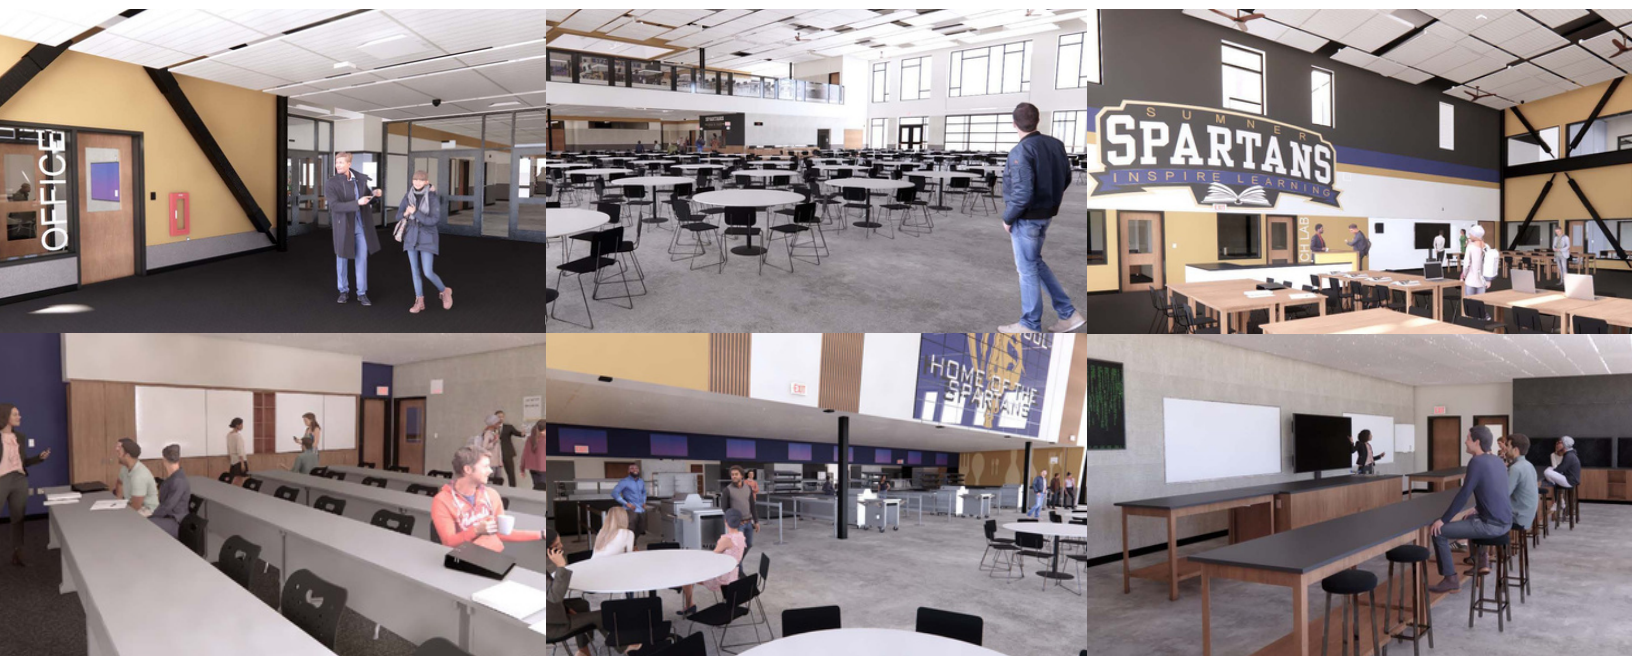

MODERNIZATION & EXPANSION PHASE 1

The Sumner-Bonney Lake School District has completed the design, planning and permitting for the Sumner High School Modernization and Expansion Phase 1 project. Now entering the construction phase, there will be robust activity on the west portion of the campus starting Fall 2021.

Building features:

- New commons
- New library
- New kitchen/cafeteria
- New additional classrooms
- Associated student services (technology, security, restrooms)
