Tier 3 Vocabulary (Content specific vocabulary)

Line, Shape, Form, Color, Value, Texture, Space, Emphasis, Contrast, Balance, Movement, Rhythm, Proportion, Unity, Composition, Media, Craftsmanship Design, Process

Know - What do students need to **know** in order to be able to do and understand? *List concepts, such as facts, formulas, key vocabulary and knowledge “nuggets”.*

- The Elements and Principles of Art and Design, as they are applied to the specific media being studied.
- The Elements of Art are the physical parts creating your artwork.
- The Principles of Design are more conceptual and help you successfully arrange the elements in your artwork.
- Artists today develop craft in a different way and allow the concept to drive the material being used

Understand - What do students need to **understand**? What is the **big idea**? *List broad concepts or “big ideas” in a statement of enduring understanding.*

- Artists and designers balance experimentation and safety, freedom and responsibility while developing and creating artworks.
- People create and interact with objects, places, and designs that bring meaning to their lives.
- Knowing where to obtain tools and materials is vital in time efficiency.
- Collaborating with other artists can encourage a better understanding of a material, process, or craft.

Learning Outcome - What do students need to be able to **accomplish** by the unit’s end? *Culmination Assessments embedding skills and competencies*

1. Learners will create artwork utilizing the Elements of Art and the Principles of Design.
2. Learners will work in centers to encourage a “play” with materials and document their experience at each center.
3. Project Evaluation: They will be able to assess what happens when the elements and principles are either used or excluded in their artwork.
4. Learners will also be able to properly use and access the tools and materials during their artistic processes.
