

# Read-A-Thon Final Data

from the PTO

Congratulations to all of the students that participated in the first Glendale-River Hills School District Read-A-Thon! Our students logged a SPECTACULAR **83,458 MINUTES** during our three week challenge and raised over **\$2400** for GDRH PTO and Foundation initiatives that directly benefit our amazing students and teachers! We have received a lot of positive feedback regarding family participation in the 2024 Read-A-Thon. Kids seemed to enjoy the program and were encouraged to read more!

Students who met the 150, 300, and 450 minute reading milestones can expect to receive their prizes in the next few weeks. Classes with the highest average minutes read per person will also receive a treat! Thanks again to all those who participated and keep up that reading!
