### LANCASTER CSD - NEW YORK STATE REPORT CARD [2022 - 23]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning standards for all students. Knowledge gained from the report card on a school's or district's strengths and weaknesses can be used to improve instruction and services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, ESSA is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

#### 2023-24 ACCOUNTABILITY STATUS AND SUPPORT MODEL BASED ON 2022-23 DATA

Due to COVID-19 and changes to New York State accountability and federal reporting requirements, 2023-24 accountability statuses and support models were determined using a modified methodology. For more information, see Understanding the New York State Accountability System under the Every Student Succeeds Act (ESSA) for 2023-24 Accountability Statuses Based on 2022-23 Results.

#### TOTAL COHORT REGENTS EXAMINATION RESULTS

A High School Cohort consists of all students who first enter grade 9 anywhere or, in the case of ungraded students with disabilities, reach their seventeenth birthday in a particular school year (July 1 - June 30). The "year" used to identify the cohort is the year in which the July 1 - December 31 dates fall. Results are reported four years after these students first enter grade 9.

Due to COVID-19 and changes to New York State testing requirements, Regents examinations in June 2020 through January 2022 were canceled, with the exception of the June 2021 Regents Examinations in ELA, Algebra I, Living Environment, and Physical Setting/Earth Science. The U.S. History & Government examination from June 2022 through January 2023 was also canceled.
