Mohave High School's ROTC Program

FOR IMMEDIATE RELEASE

Thursday, April 11, 2024

Michael Jake Carter
Director of Community Engagement
CRUHS

Bullhead City, AZ – "The district's ROTC teachers were recently investigated by the Mohave High School administration over concerns surrounding student safety, supervision, and procurement issues. The district's investigation is now closed, and the teachers have returned to work. The district is cooperating with the United States Air Force as they are conducting their own investigation of the matter. The Air Force will make their own determination as to whether or not these teachers meet the Air Force's standards and expectations. As a proud veteran of the United States Air Force, I can assure the students and the community that we will have a good program next year, even if I have to teach the class myself. Achievement for All, Kids First!" - Dr. Richard, Superintendent
