Model Schools Regional Workshops Catalog April/May 2023-2024

The Model Schools Program is a statewide initiative that offers support to teachers in the area of technology integration in order to facilitate the implementation of the New York State learning standards. The Eastern Suffolk BOCES Model Schools Educational Technology Coaches will be hosting a variety of Regional Workshops for the 2023-2024 school year. These workshops are offered free for districts participating in the Model Schools Program and for a fee for non-participating districts. If you are unsure if your district participates, you can check this list of participating districts on our [website](#).

Non-Participating district fees for Regional Workshops are as follows:

1-1.5 hour workshop - \$40

2-3 hour workshop - \$75

Full day workshop - \$100

The link below will take you to the Eastern Suffolk BOCES Frontline (formerly My Learning Plan) catalog where you can find the listing of our workshops. Many of the workshops offer Continuing Teacher and Leader Education (CTLE) hours.

[2023-2024 MODEL SCHOOLS REGIONAL WORKSHOP OFFERINGS](#)

Location: Virtual or In-Person at ISC at Sequoya at 750 Waverly Avenue, Holtsville, NY 11742

COURSE DESCRIPTIONS

In Alphabetical Order

Explore Math and Science with GeoGebra

Date: April 17, 2024

Time: 2:30 pm - 3:30 pm (Virtual)

Instructor: Bill MacIntosh

CTLE Hours: 1 – Content/Pedagogy

Use GeoGebra with your students for various mathematics and science topics ranging from elementary levels through middle school, high school and college levels. GeoGebra is a FREE interactive tool with a wealth of preset activities and lessons that teachers and students can use to explore and visualize a variety of concepts in science and mathematics including: Vectors/Forces, Tides, Planetary Motion, Energy, Sound, Fractions, Arithmetic, Algebra, Geometry, Trigonometry, Calculus and much more!

Exploring Creativity and Learning with Makey Makey: Unleash Inventive Minds

Date: April 30, 2024

Time: 8:30 am – 11:30 am (In-person at ISC @Sequoia)

Instructor: Carrie McGuire

CTLE Hours: 3 – Pedagogy

Join us for an exciting and hands-on workshop that brings innovation, creativity, and technology into the classroom through the captivating world of Makey Makey. This interactive workshop is designed to empower educators with the skills, knowledge, and confidence to seamlessly integrate Makey Makey into various subjects, sparking curiosity and fostering critical thinking in students.

*****Please bring a laptop or Chromebook with USB port/adaptor for the Makey Makey.***

Generation AI: the “What?” “Why?” and “How?” of Artificial Intelligence

Date: ~~February 26, 2024~~ *rescheduled April 30, 2024*

Time: 9:00 am - 12:00 pm (In-person at ISC @Sequoia)

Instructor: Nikki Frink-Martin

CTLE Hours: 3 – Pedagogy

Artificial Intelligence is a topic that permeates our experience in society as educators in the 21st century world. Like the calculator, and later the internet, artificial intelligence as a classroom to reality that we must not only accept, but embrace, and integrate into our daily instruction, as well as our daily lives. In this half day, in person workshop, we will explore the topic of artificial intelligence, look at various practical applications in the classroom, and begin to experiment with some of the many tools available. We will also consider ways in which teachers, administrators, students, and all those in the education realm can utilize AI both in the classroom and out.
