

“Pass the Plate”

The 5th Grade Culinary Students did an outstanding job with their “Pass the Plate” project last month! They featured a Flatbread with Tzatziki, Empanadas and Atakilt Wat Stew. All items included produce from our school garden and were scratch made by the students who then served all students K-5. I was so impressed and inspired by the feedback from the students that we decided to serve the same items (made according to OSPI standards) this month!

Empanadas will be served on Wednesday, April 17 at both schools and the Elementary will serve the Atakilt Wat Stew, Flatbread and Tzatziki on Friday, April 19.

Coming This Month

Our new recipes include a Stuffed Cornbread at the Secondary Campus on Thursday, April 11. A Peach Crisp will be served the week of April 22nd at both schools as well as a Fresh Strawberry Parfait for breakfast on Friday, April 26.

Discovery Kitchen

Waste Prevention has always been one of our focuses. We will continue this with our Black Bean and Corn Salsa served at the Secondary Campus every Thursday on the Salad Bar.

Fresh Strawberries will be served in our breakfast parfaits on Friday April 26th at both schools.

We also will have fresh strawberries on our salad bar the week of April 29 - -- which was a huge hit last month when we
