Additional Notes:

1. All signs that are to be located in a residential area **MUST** have variance to City Ordinance prior to any construction.
2. Variance typically contains language that limits the hours of use of the sign during night and early morning.
3. Ordinance can be obtained through request from District Operations or the sign supplier.
4. Call **District Operations** with any questions (432-456-9659)
5. LED Message board has a 8-10 week lead time
6. All initial pricing and communications will be handled by District Operations.

Estimated Costs:

1. \$14,000 - \$16,000
