<p>Forms of Academic Assessments</p>	<p>Blanton has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by our district curriculum department which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.</p>
<p>Expected Achievemnt Levels on academic assessments</p>	<p>The State’s Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards</p> <p>Blanton tracks each child’s growth throughout the year via local assessments (mentioned above), Istation, and IReady. Each child has a folder where teachers help them track their own learning growth.</p>
<p>Ways to request regualr meeting</p>	<p>Guardians can bring any suggestions, ideas, or concerns to the monthly parent meetings listed above. However, if they need to meet with an administrator or their child’s teacher at another time, they can email that individual person, or call to set up a meeting day and time. Please make sure to schedule a time before you come to the school.</p>
