THE CROCKETT FOOD PANTRY

One great opportunity for volunteering in the Odessa area is at the Crockett Middle School food pantry. The Crockett Food Pantry is a non-profit organization that provides food assistance to their student & families in need.

Here are some ways you can get involved with the Crockett Food Pantry:

- Sorting and organizing donations: The food pantry relies heavily on donations from the West Texas Food Bank. As a volunteer, you can help sort through these donations and organize them so they are ready to be distributed to families.
- Assisting with distribution: On distribution days, volunteers are needed to help hand out food to clients. This is a great way to interact with those you are helping and see the impact of your volunteer work firsthand.

By volunteering at the Crockett Food Pantry, you can earn Texas Scholar Hours while also making a positive impact in your community.

Join Our Schedule of Giving Back

Our program entails two meetings per month: one to prepare food boxes, which typically lasts 1-2 hours, and another to distribute them, which takes a similar amount of time. Volunteers can earn up to 5-6 Texas Scholars Hours for your participation.
