

Admission Requirements

- P-TECH is open to all 8th grade ECISD students and students who live within Ector County who are motivated and willing to commit to a four-year program.
- All interested 8th grade students must submit an Early College High School Application. There are no criteria for placement into the Pathways in Technology Program, just the student's willingness to commit to the demands of this opportunity.
- Parents are an important part of the process and need to demonstrate their support by granting permission and completing the parent sections of the application.
- There are no prerequisites for eligibility. A student must be dedicated and committed to earning an Associate Degree and Industry Certifications while earning a high school diploma.

Admission

Students are currently admitted by being the first 150 to apply but we will be moving towards a random lottery as soon as we have more applicants than open seats. If we have over 150 applicants we place them on a waiting list.
