Lesson Planning Networks

This 6-part professional development series will immerse teachers in an in-depth examination and analysis of TEKS in the four core content areas (Math, Science, English Language Arts/Reading, and Social Studies) using TEKS Resource System. For each unit, participants will plan with the end in mind using assessments and unit-level specificity to develop rigorous lessons.

ESC 18 ELAR, Math, Science, SS & STEM PD Sessions

Through these Tailor-Made packages, districts can participate in fee-waived professional development in the areas of Math, ELAR, Science, Social Studies and STEM provided by Region 18 Teaching & Learning Educational Consultants.

Beginning Teacher Academy

This four-part academy is designed to support first-year teachers in setting up an effective and successful classroom. Not only will teachers be provided a system of support throughout the school year, but they will also engage in collaborative workshops to enhance instruction and create a positive classroom environment. Our goal is to support and foster the needs of first-year teachers as they begin their teaching careers.

HB3 Reading Academies

TBD

School Improvement Support

Comprehensive campuses identified for the 2020 - 2021 school year by TEA will receive all ESC18 trainings and support at no charge. (Teacher Incentive Allotment (TIA), Relay, and/or Teacher Instructional Leadership (TIL) trainings are available for an additional fee. TIA, Relay, and TIL are not included in the Platinum Package.)
