PHS TEEN PARENT RELATED SERVICES TEAM

About Teen Parent Related Services

Our PHS team consists of a caseworker, specialist, and counselor. Our office is in room C12 at Permian High School. We are a support service. We assist pregnant teens and teen parents by removing barriers to educational success so they will have the necessary skills to graduate high school, be college-ready, and pursue post-secondary options. Our services provide free childcare, transportation, and homebound services to help new parents adjust academically, mentally and physically. Our team monitors their grades and attendance through graduation. We coordinate tutoring and credit recovery services for students as needed. TPRS sponsors two big events a year. The first one is The Health Education Resource Fair in November and the second is our Senior Celebration in the Spring. Together, we empower our students to succeed. Please contact us for any referrals you may have.
