CROSSROADS CHURCH EMBRACE GRACE

ECISD Teen Parent Related Services would like to thank Crossroads Church for their donation to our program. The students have really benefited from the snacks, diapers, and wipes. Crossroads provides 12-week class for our teen mothers through a program **Embrace Grace**.

At the end of the twelfth week, they will provide a baby shower in to help the students.

TPRS SMALL GROUPS

Our teen parent mothers attended a field trip at Medical Center Hospital. The small groups presentation included a hands-on CPR training for babies. MCH provided gift bags that included the video and baby to practice. The second presentation included wellness information from a local pediatrician, Dr. Garcia. The students were able to ask him any questions they had about their baby. The student feedback was they learned new things for their baby, it was quite informative meeting.
