to me

Hi William-Bob ,

Your Schooldude password has been reset. Below is your login and temporary password. When you log in with this temporary password, you will be asked to create a new password that you can remember.

Login Name: josh_test
Password: t3R@gmhvsP

Please click on the link below to login:
https://login.schooldude.com/ChangePassword?LoginName=josh_test&Code=4Vp46YqQnGMpTwRJYv7YTA%3d%3d

5. Once you click on the link, it will take you to a screen to create a new password.

Password Expired!

In an effort to better protect your security, we noticed your password has expired. In order to login, you must change your current password.

Login Name

Current Password

New Password

Confirm Password

Your login name and Current Password should populate automatically. If they don't refer to the e-mail you received.

Create a New Password and retype it in the Confirm Password box. Then click Change Password

6. Click Change Password once you have created a new password. It will then take you to the login screen and notify you that your password has been successfully changed
