

MUSIC BOOSTERS SCHOLARSHIP APPLICATION

Sponsored by Yorkville Music Boosters
2017-2018

One of the most important projects the Yorkville Music Boosters undertakes every year is the granting of scholarships to District #115 music students (completed grades 5th through 11th) who wish to attend a summer music camp. We will also grant scholarships to students who perform in outside ensembles that charge a fee. These types of programs allow students to advance musically and artistically with other fine arts students from other schools. Camp applications and information about outside ensembles are available from the music directors and/or private instructors. Scholarships are given to any student in the amount of ½ the program fee or an amount not exceeding \$100 as booster funds allow. Each student is eligible to receive one scholarship per calendar year. Scholarship funds are not intended to pay for private lessons. Summer camp scholarships are intended to financially assist students that will bring back their experiences and knowledge to the Y115 Music Program.

DEADLINE IS Wednesday, April 18th, 2018

Prices of camps vary greatly based on the duration and demand. Some camps offer their own scholarship programs for particular instruments or out-of-state attendees. Please inquire to the camps about additional scholarship information. When applying to your camp, please deduct the anticipated amount of this scholarship from your payment(s). Scholarship checks will be made payable to the Camp. If your camp or program fee has already been paid in full, you are still eligible for this scholarship. The Camp will issue you any amount overpaid.

Please complete the form below and if you need more information, feel free to contact the music directors.

Scholarship Request – Please return to your Music Director by Wednesday, April 18th, 2018
