Evaluation Key

M	Meeting Expectations
P	Progressing toward Expectations
N	Needs Improvement
X	Not assessed at this time

We believe the purpose of grading is to communicate individual academic progress and social development to students, parents, and teachers. It will also serve as a means to guide improvement. A student's progress is measured using the Common Core Learning Standards and the Clarence Central School District's curriculum and expectations. This report card will reflect the extent to which a student achieves a specific level of knowledge, or skill, based on standards presented during the grading period.

Reporting Period			Work Habits and Social Development
1	2	3	
			Works independently
			Works cooperatively
			Works neatly and carefully
			Organizes and is responsible for materials and belongings
			Follows directions
			Listens attentively
			Uses time effectively
			Obeys school and classroom rules
			Is respectful and courteous to others
			Demonstrates a positive attitude towards learning
			Accepts responsibility for own actions
			Exercises self-control
			Completes and returns homework
			Self-advocates effectively

Student:

Teacher:

Level of Achievement Based on the Standards	
Level 4: Distinguished	Student has consistently excelled in demonstrating mastery of grade level expectations and standards.
Level 3: Proficient	Student has mastered the majority of grade level expectations/standards and performed satisfactorily.
Level 2: Partial	Student has mastered some grade level expectations/standards and is working toward grade level competency and proficiency.
Level 1: Minimal	Student has not yet demonstrated mastery of grade level expectations/standards and needs support and reinforcement to achieve proficiency.

Trimester			Mathematics
1	2	3	
			Level of Mathematics Achievement
			Effort
Mathematical Reasoning			
			Applies strategies and clearly communicates mathematical thinking
			Solves word problems
Operations and Algebraic Thinking			
			Knows addition facts fluently
			Knows subtraction facts fluently
			Knows multiplication facts fluently
			Knows division facts fluently
Number Sense and Operations in Base Ten			
			Understands place value to 10,000
			Uses place value understanding to perform multi-digit arithmetic
Number Sense and Operations - Fractions			
			Demonstrates an understanding of fractions
