Please help your child come to school prepared with outerwear and footwear appropriate for the weather as we finally enter more spring-like weather. We will attempt to be outdoors for recess as often as possible. This sometimes includes wet or muddy conditions. Please encourage your child to avoid areas that are wet or muddy.

The calendar is quite full over the next couple of months. Please note that students will continue with one more day of ELA OST tests for 5th grade next week. Math OST for both grades and Science OST for 5th grade will occur in the coming weeks as well. Please help encourage your child to "show what they know" on the state tests!

Please help your child look towards the rest of the 4th quarter as a chance to "finish strong!"

We hope that students are able to work hard academically and also enjoy the joys that the

enjoy all of the joys the end of the school year can bring. Thank you for your continued support from home.

Please email or call us if we can ever be of assistance or answer any questions.
