Employees may elect one (1) of the following pay plans by notification to the Human Resources office by June 15.

Section 3.3 Job Description

Human Resources shall provide a general description of a Paraeducator position. Specific duties shall be defined in writing by the Paraeducator’s immediate supervisor. A Paraeducator may choose to go on layoff if a major change in duties occurs that is not mutually agreeable to the supervisor and the Paraeducator.

Section 3.4 Temporary Positions

A temporary position is defined as one which is created by the extended absence of an employee due to disability, parental leave or other long-term leaves extending over a period of more than thirty (30) days but not to exceed one (1) year.

Absences of less than thirty (30) days may be filled in by a substitute employee only after a member or members of this bargaining unit who work in that building have been given the opportunity to arrange their schedule to assume the hours made by the absence of another employee. Assumed hours will not count toward a change in benefits.

Temporary positions will be posted in the same manner as regular positions.

Employees holding temporary positions will be paid the rate that the position is regularly paid and shall be eligible for any benefits or provisions of this Contract. If a temporary employee is subsequently hired to fill a regular position, without a break in service, the employee's first day of employment in the temporary position will become his/her seniority date in the Paraeducator bargaining unit. However, this employee shall still be required to serve an initial probationary period in the regular position in accordance with section 5.1 of the Contract.

Section 3.5 Paraeducators in Early Childhood Programs

Because of the unique nature and schedule of the Early Childhood (EC) programs and calendar, Paraeducators who work in the Early Childhood Programs only Early Childhood Special Education (ECSE) and Early Childhood Family Education (ECFE), may work both as a casual Paraeducator (less than 10.25 hours a week) and be able to accept positions to sub at times other than their regularly scheduled hours. Any casual Paraeducator positions determined in the EC programs must first be offered to current, contract EC Paraeducators prior to hiring a casual employee. Once a casual position is determined, it must be accepted as an entire position (i.e. all of the hours up to 10.25) and not be parceled out in smaller hour increments.

Section 3.6 Paraeducators in the Silverview Childcare Program

Because of the unique requirements of the Silverview childcare program, Paraeducators may work both non-contract hours and be able to accept substitute positions other than their regularly schedule hours.

ARTICLE IV HOURS AND OVERTIME

Section 4.1 Definition of Paraeducators

Full-time Paraeducators are defined as individuals working at least forty (40) hours per week. Part-time Paraeducators are defined as individuals in the bargaining unit working less than forty (40) hours per week.

Section 4.2 Overtime

Each employee covered by this Agreement shall be paid at one and one-half (1-½) times the regular hourly rate for work in excess of forty (40) hours per week, as directed by the immediate supervisor. Employees assigned to work jobs involving more than one (1) wage rate will receive a weighted average overtime rate for work beyond forty (40) hours in a week.

Section 4.3 Meeting/Training Attendance

Paraeducators shall be paid for a minimum of eight (8) hours of job-related training per school year at the direction of their supervisor to include six (6) hours during workshop week. Additional professional development opportunities may be available at the discretion of the supervisor. Paraeducators shall be paid their regular rate for required work time outside their normal schedule as assigned by their supervisor. (see MOU Training Task Force) The District will attempt, when possible, to schedule training in three (3) hour blocks of time.

Section 4.4 Work Breaks

Employees who work four (4) or more hours per day are entitled to a scheduled fifteen (15) minute duty free paid break. Employees who work six (6) hours or more are entitled to an additional thirty (30) minute unpaid lunch break. Breaks may not be taken at the beginning or the end of the employees' normal schedule unless mutually agreed with the employees' supervisor.

ARTICLE V DISCIPLINE AND DISCHARGE

Section 5.1 Probationary Period

Every new employee shall serve a probationary period of six (6) months served during the school year during which the Employer shall have the unqualified right to discipline or discharge such employee without assigning any reason therefore, and without recourse to the grievance procedure. For purposes of this contract, "school year" is defined as the period of time from the first student contact day in the fall to the last student contact day in the spring of the following year. Services performed outside of the basic school year, such as summer school, or additional work days for training do not apply towards the probationary period. An employee promoted or transferred to a new position shall be on probation for thirty (30) consecutive days, during which period the Employer shall have the right to return the employee to his/her previous position subject to the grievance procedure. However, any employee assigned to a position requiring regular and recurring contact with students must complete thirty (30) days of service during the regular school year in order to complete his/her probationary period. Subsequent to the probationary period the employee shall be discharged only for just cause.

An individual can complete a probationary period during two (2) consecutive school years if the person is in the same position at the same school. If a change in position or building occurs prior to completion of the probationary period, the individual must serve a new six (6) month probationary period.

Section 5.2 No Discrimination

No employee shall be discriminated against because he/she is or is not a member of the Union. The Employer and the Union mutually agree to comply with all applicable State and Federal laws and regulations regarding discrimination against any individual because of such person's race, color, creed, religion, national origin, sex, age or education.

Section 5.3 Union Representation

Whenever the school district calls a meeting with an employee that could lead to discipline, the school district shall notify the employee orally or in writing of their right to have union representation at the meeting.

ARTICLE VI LEAVES AND ABSENCES

Section 6.1 Leave of Absence

There shall be no loss of seniority in case of unpaid leaves of absence for good cause.

Section 6.2 Jury Duty

An employee who is absent because of required jury duty will be granted leave and will be paid the difference between his/her regular salary and the fee received for such jury duty. An employee who completes his/her jury duty with one-half (1/2) day or more of the workday remaining shall report for work for that period.

Section 6.3 Military Leave

Leaves of absence for military service will be granted in accordance with all requirements of Federal and State law.

Section 6.4 Extended Leave

Upon written request to the Employer, an unpaid leave of absence not to exceed one (1) year may be granted by the Employer. Purposes of the leave shall be to either:

1. care for the employee's child after birth or placement for adoption or foster care;
2. care for the employee's spouse, son or daughter or parent who has a serious health condition; or
3. for a serious health condition that makes the employee unable to perform the employee's job.

An employee granted a leave under this provision will return to his/her former position.

Leaves granted under this section will be coordinated with any leave available under State law or the Federal Family and Medical Leave Act (FMLA).

Extended unpaid leaves of absence for purposes other than those outlined above may be granted at the Employer's discretion. The precise terms and conditions of any leave of absence granted under this paragraph shall be determined on an individual basis. Employees who resign from a Paraeducator position to accept another position with the District may request a one (1) year leave of absence from the Paraeducator unit for purposes of maintaining their seniority date only.

An employee on unpaid leave shall notify the Employer in writing of his/her intent to return to the District at least thirty (30) days prior to the expiration of the leave. Failure to so notify the District will constitute a resignation.

An employee granted leave without pay shall remain eligible for benefit plans according to the benefit plan eligibility provisions at personal expense in accordance with applicable State and Federal law.

Leave for Employees Working over 1000 hours:

Employees who have worked for over one thousand hours (1,000) over the previous twelve (12) months may take up to twelve (12) weeks of leave in order to care for their own serious health condition or that of a family member as outlined under Family Medical Leave (FMLA). The employee may use any accrued and available time off and maintain other benefits in accordance with FMLA.

Section 6.5 Sick Leave

Sick leave with full pay will accumulate at the rate of eight (8) hours per month up to ten (10) months per school year (September - June) cumulative without limit. No employee shall receive more than his/her regular amount of compensation for a day of absence.

Sick leave hours may be utilized for each period of necessary absence due to illness or injury and may be used in hourly increments. The employer may require the employee to furnish a medical certificate signed by a doctor as evidence of illness or injury.

Upon notification of an administrator, Paraeducators may use their sick leave benefits due to an illness or injury to the employee's partner, child, step-child, adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, stepparent, son-in-law, daughter-in-law, brother-in-law or sister-in-law, on the same terms upon which the employee is able to use sick leave benefits for the employee's own illness or injury. In addition, employees may use sick leave as defined in M.S. 181.9412 for the purpose of providing or receiving assistance because of sexual assault, domestic abuse, or stalking.

Accrued sick leave used for safety leave for the employee's family members listed above, will be limited to 160 hours in any twelve (12) month period. Written requests for additional days will be considered by the Director of Human Resources and granted whenever circumstances warrant. Such leave is non-accumulative and is

deductible from accumulated sick leave. In addition, use of the employee's accumulated sick leave shall be allowed for the qualified dependents as defined under state or federal law.

Section 6.6 Personal Leave

Four (4) days of personal leave shall be granted to all Paraeducators. None of the days used shall be deducted from accumulated sick leave. Such leave may be taken anytime during the school year upon advance notice and arrangement with the immediate supervisor. Unless approved by their supervisor, not more than 1 paraeducator or 10% of Paraeducators in a single building, whichever is greater, may take a personal leave on a single day.

Paraeducators during their tenth (10th) year of service shall have an additional day of personal leave that is not deducted from accumulated sick leave.

Personal leave on half (1/2) days and non-contact days. Half days (1/2) are not optional days to work. Example: If the school is open from 8:00 A.M. to 12:00 PM, and an employee's scheduled hours fall between these times they are required to work during this time. These hours are time carded. If an employee is sick on one of the half days, and their scheduled hours are during the time the school is open they would submit a time card as though they have worked that day, but also submit a time off form. If an employee's hours do not fall within the school hours for that half day, they may choose to submit a time off request for personal time.

Paraeducators not using their full entitlement to personal leave in a single school year will be paid at the end of the school year for such unused personal days at the daily rate of pay for casual substitutes or have the unused day added to the employee's sick leave balance at the end of the school year.

Section 6.7 Bereavement Leave

Five (5) prorated days of leave allowance may be used per occurrence by the employee for attending or arranging the funeral of employee's member of their immediate household, spouse, child, stepchild, parent, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, miscarriage of a child, grandparents and grandchildren. Such leave must be approved in advance by the employee's immediate supervisor, unless advance approval is impossible, in which case, notice shall be given to the employee's supervisor as soon as it is possible. Four (4) of the days used shall not be deducted from accumulated sick leave. Two (2) additional bereavement leave days per occurrence may be used for deaths not covered in this and shall be deducted from sick leave.

Section 6.8 Worker's Compensation

Any employee who is injured during working hours in a school must report the injury per the District's reporting procedure as soon as possible. Pursuant to M.S. 176, an employee injured on the job in the service of the School District and collecting worker's compensation insurance, may, but is not required to, draw sick leave and receive full salary from the School District. His/her salary will be reduced by an amount equal to the insurance payments and only that fraction of the days not covered by insurance will be deducted from his/her accrued sick leave. No employee may receive more than his/her regular rate of pay for a day of absence.

Section 6.9 Assault Leave

Paid leave, up to ten (10) days, not deductible from accumulated sick or personal leave allowances, may be used by a paraeducator for each day of necessary absence on a work day because of an assault which causes injury occurring in connection with the performance of a paraeducator's regular duties.

Section 6.10 Severance

Employees who have completed at least five (5) years of service or employees who have not been recalled from layoff within one (1) year and who provide the Employer with at least a two (2) week notice, shall be entitled to pay for unused sick leave at the employee's hourly rate at the time of resignation, provided that such pay does not exceed a total of fifty (50) days. For purposes of this Section 6.9, "a days pay" will be calculated as the average amount of hours worked by the employee per day during the high five (5) years of employment.

Section 7.1 Safety and Healthy School Environment

All regulations and laws of the State of Minnesota and O.S.H.A. and Mounds View policies governing the safety of employees and building occupants shall be complied with by the Employer and employee. On such occasions, Paraeducators shall be paid as if it were a normal, contracted work day with no deduction for pre-arranged sick time. In the event that there are multiple late start days, it will be at the discretion of district human resources if the time will need to be made up.

7.4 Technology Access

The district will not require employees to check district email or handle other district related work during their break time, lunches or non-work hours. Adequate time and accessible computers and printers for third party billing, entering student behavior reports, checking emails and other related district work will be coordinated with the Principal or Site Administrator.

The Employer and the Union mutually recognize the needs of the public and that the right of students and residents of this District to the continuous and uninterrupted operation of their schools is of paramount importance. The Union agrees that during the term of this Agreement it will not engage in, support or encourage any work stoppages or slowdowns.

ARTICLE X SENIORITY

Section 10.1 Seniority

Seniority will be based upon continuous and unbroken employment with the Employer starting at first date of employment as a Paraeducator. Seniority is based on a time stamp issued upon completion of paperwork with designee from Human Resources. The seniority list will be developed as a cooperative effort between the Union and Employer. The seniority list will be in the form of one (1) list for the entire District.

The seniority list will be posted in each building and a copy will be mailed to the Union Stewards during the month of April. Questions regarding seniority shall be directed to the Human Resources Department in writing within one (1) calendar week of posting. At the end of this period the seniority list will be deemed correct.

Employees prior to this Agreement who were terminated in lieu of a layoff provision and subsequently rehired in lieu of a recall procedure will be given continuous seniority. Employees in the bargaining unit will earn seniority on the basis of date of employment. If more than one (1) individual has the same starting date of employment, time stamp will be used to break ties. Seniority shall terminate upon any of the following events:

- a) Resignation

- b) Termination for cause
- c) Retirement
- d) Failure to return from a leave of absence
- e) Expiration of recall period not to exceed two (2) calendar years

Employees on layoff or on unpaid leave of absence will continue to accrue seniority.

Section 10.2 Layoff/Recall

Employees will be given a two (2) week written notice before any layoff or reduction in hours during the school year. For purposes of this section, there shall be the following classifications for Paraeducators:

Community Ed Building Supervisor	Instructional-Indian Education
Clerical	Instructional-Title I
Supervisory	Technology
Computer Input	Special Education
LMC	Licensed Health Care Specialist
Bookkeeper	Secondary Modified Learning Center
Healthcare Specialist	Behavior Manager
General Instructional	Administrative
Instructional-ELL	Pool
Instructional-ETS	

The parties recognize the principle of seniority in administering layoffs and recalls within the stipulated classifications, provided the employee is fully qualified to perform the duties and responsibilities of the positions.

Subd. A Notice of Assignment When time in a building needs to be added for the current school year, principals will increase time of the most senior building employee in the job classification to be increased provided that the schedule fits and the assignment, training, qualifications, job duties and performance are sufficiently similar. Prior to the end of the school year, the Building principal or coordinator will formally meet with Paraeducators to explain the staffing vision for the following school year. Employees will be given written notice of their employment status for the next school year no later than May 1st and will have not less than five (5) business days, with the exception of Saturday, Sunday or legal holidays, to respond to their written notice of assignment.

Subd. B. Layoff When hours in a building need to be cut for the current school year, principals will reduce hours of the least senior building employee in the job classification to be reduced, provided that the assignment, training, qualifications, job duties and performance are sufficiently similar. The District agrees to meet with the Union Stewards at the conclusion of the Notice of Assignment process to review assignments

An employee whose hours are reduced, may elect to accept the reduced assignment, initiate bumping according to Subd. D or go on layoff. The loss of hours which were added during the school year will not be considered a reduction in hours.

Subd C. Recall Employees shall be eligible for recall to new positions at or below their previous FTE within classifications for two (2) calendar years following the date of layoff, or until an unlimited number of jobs have been rejected within the one (1) calendar year. A laid off employee will be recalled to positions available the following school year in the same classification with similar job duties of the position that was held in the preceding two (2) school years. Employees who worked in multiple job categories may waive their recall rights to the categories in which they worked less than 2.25 hours per

day or less without loss of recall rights. An employee will be recalled out of seniority order if the same position held prior to layoff becomes available. Building principals will assign newly available hours on a seniority basis to persons who have suffered hour cuts after considering budget, schedules and qualifications.

Subd D. Bumping and Recall An employee whose position is being eliminated or has their hours cut by (1) hour or more, shall be sent written notice during the Notice of Assignment process at the end of each school year or be given at least thirty (30) day notice during the school year. Reduction in hours will be based on the Notice of Assignment form. Any positions available within job classification at the time of reduction in hours will be considered the least senior position. Affected employees may:

- Accept the reduced assignment;
- Elect to displace the least senior employee in the same job classification District-wide within one (1) hour of his or her total assignment; or
- Employees will only be allowed one (1) bumping opportunity. If they turn down an opportunity to bump, they go on layoff/recall.

If the individual is the least senior employee in the job classification, then he or she will be able to displace the least senior employee in the same pay classification provided he or she is qualified for the position.
