

# Rachel's Challenge

<http://rachelschallenge.org/>

It's been over 17 years since Rachel Scott's death at Columbine High School on April 20, 1999. Her funeral drew the most viewers in television history and she continues to touch millions of lives. Rachel's death reminded us all that life could be gone from us in a second and we should make the most of it. But she will be remembered for more than the tragedy that took her life, ultimately Rachel will be known for her compassion, her faith and her willingness to be used by God to start a "chain reaction." The Friends of Rachel club has a goal of spreading kindness to all members of the student body at Sheffield High School. We meet each week to discuss ways to be kind to fellow students in order to keep Rachel Scott's legacy of kindness alive.
