Family, Career and Community Leaders of America is a national Career and Technical Student Organization that provides personal growth, leadership development, and career preparation opportunities for students in Family and Consumer Sciences education.

Our Mission is to promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

The Unlimited Possibilities theme Through FCCLA, discover the Unlimited Possibilities within your reach as you explore career opportunities, develop leadership skills, and grow personally while making a difference in your family and community. With FCCLA, there's unlimited options – unlimited possibilities!

FCCLA @ THE TABLE

Stronger families one meal at a time.

Research shows that families that eat meals together reap long-term benefits that feed the body, mind and spirit. That's why Family, Career and Community Leaders of America (FCCLA) has launched a national campaign – FCCLA @ The Table – by asking our 200,000 members to take a pledge to plan and prepare healthy meals for their families.

FCCLA Thunderclap - February 17th!

Thunderclap is a social media sharing platform with the power of the crowd behind it. It allows a single message to be mass-shared, flash mob-style, so it rises above the noise of your social network feed. By “signing up”, participants allow their individual social media accounts to be used on the specified date and time to mass-share the message.

FCCLA’s message goes live Friday, February 17th at 4:30 PM EST (3:30 PM Central; 2:30 PM Mountain; 1:30 PM Pacific). SIGN UP here: <http://thndr.me/0cVSUe>
