SCHOOL DISTRICT

2024 Annual Elementary Student Survey

The purpose of BSD's Annual Survey is to help the Beaverton School District understand how students feel about their school. To do this, we need your help!

Please complete this survey as honestly as possible. Your opinion is very important.

Your principal and the School Board will see a summary of your school's answers. All of your responses are private. Nothing in the survey or district software will be used to identify you.

It is OK to go back and change your answers to a question that you've already answered, but you must finish the survey in one sitting.

Thanks for participating!
