TOWNSHIP BUSSING INFORMATION 2024-2025

If your daughter will be taking a township bus for transportation to and from school, please read the following information:

1. No student is permitted to ride or invite another student to ride a township bus if she is not registered in that township.
2. When Nazareth Academy received your application with your bussing township, we sent the student's pertinent information to the township's transportation department so that pick-ups and drop-offs would be created.
3. The township will set up a time and place for pick-up and drop-off each day. These arrangements are all made through your township. A schedule of the bus stop will be provided to the student.
4. Students may be removed from the list if student does not appear to be using the township bus. Please inform Nazareth Academy if a student's reinstatement needs to be made.
5. Most townships only allow for a select number of early pick-ups on "early dismissal" days. Please refer to the "Early Dismissal Chart" on the school website for the days and dates scheduled for your township.
6. Several townships supply an after school "late activities bus" for students involved in after school activities. The student must sign in at the Main Office that day before 8:00 am so that we can schedule a late bus in a timely fashion.
7. In the case of a school closing, a school messenger text will be sent to inform the families.

Please contact Patty Matthews in the Main Office to request transportation services.
