COUNSELORS CORNER

Hi Bulldog Families! The counselors will be meeting with all Juniors on the 18th and 25th to present our "Money, Money, Money" presentation. This presentation covers topics of financial literacy, budgeting, credit scores, etc. We will also be having a parent night on April 24th to cover topics such as Aeries, Parent Portal, Transcripts, and Credits. We hope to see you there!

We are also beyond delighted to announce that our THS Counseling Department is now a Recognized ASCA Model Program! This incredible designation is a reflection of our Bulldog family and the desire we have to support one another.
