The Jasper County Charter School System will provide superior and innovative learning experiences to prepare every student for life beyond school.

FOR IMMEDIATE RELEASE

April 12, 2024

The Georgia Department of Education (GADOE) recently released the 2023 Pathway Graduation Rates for the 2022-2023 school year. Jasper County Charter System is pleased to announce that the graduation rate for Jasper County High School students in the Advanced Academic, World Languages, Fine Arts, and CTAE pathways was 100% in 2023.

While many school systems had a 100% graduation rate for students in one or more pathways, only 12 districts across the state of Georgia including Jasper County had a 100% graduation rate in all four areas. This is an outstanding achievement for students, faculty, and the entire Jasper County community.

Mr. Garland, JCCS Superintendent, said “I am proud of the hard work of everyone involved in this effort. The dedication of all stakeholders supporting OUR students is evident in this significant achievement.” Congratulations to all who have contributed to the future successes of these students.
