DONATIONS NEEDED FOR OWL AGAINST HUNGER:

In EL Education schools, Better World Day is a day to celebrate a culture of service and community engagement. On May 3, we will be holding a schoolwide service project of packing 50,000 highly nutritious meals to address food inequities in our community. We are encouraging students to raise what they can to contribute to this effort, recognizing that some can give more than others. Our overall goal is to raise \$15,000 and we have already secured a \$7,000 matching grant from the OWL PTO and raised just under \$3,000 this week. That means we have **\$5,000 to go**. Thank you for considering this request.

*Cash or checks payable to **Harvest Pack** (each student has an envelope).*

Afterschool Activities Reminders: In order for students to attend after school activities, they must attend school that day. This includes sports, theatre, and after-school clubs.

Important Reminder about Attendance:

If your child is going to miss school, please call, email owlattendance@spps.org or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.
