

Safety Alert

Dear parent or care provider:

Your bus driver has been entrusted with the serious responsibility of protecting the safety of your child. The driver cannot control the hazards outside the bus. We ask your cooperation in making sure that a responsible person meets the bus every day to receive your child. This will ensure your child's safety as well as the safety of other children in the area.

We also wish to alert you to the dangers of long drawstrings or straps on children's clothing, or long mitten strings.

Across the country, a number of incidents have occurred in which children's clothing or mitten strings became entangled in the bus door or handrail as the child stepped off the bus.

In some cases, children have been seriously injured and even killed. Please make sure that your children's clothing does not have any long, dangling strings or straps that could jeopardize their safety while getting off the bus, as well as in other daily activities such as the playground.

Our only goal is to protect the safety of your child!

Thank you.
