RELATIONS WITH OTHER LOCAL GOVERNMENTAL AUTHORITIES

In providing a basic educational and recreational program for district children, the Board of Education shall cooperate with other appropriate agencies operating in the district to provide services beyond its basic program within the limits of the Education Law and the Regulations of the Commissioner of Education.

In particular, a cooperative effort shall be maintained between district officials and local law enforcement agencies. It is paramount that the rights of the school, the home, the civil authorities, and the individual be clearly understood and protected.
