BASIC INSTRUCTIONAL PROGRAM

The basic instructional program shall include all those courses of instruction required by the Education Law, the Rules of the Board of Regents and Regulations of the Commissioner of Education as well as such other courses and programs as the Board of Education shall determine to be beneficial to the students of the district, within the restrictions imposed by limited district resources.

Basic instructional services provided for students during the school year shall be scheduled only during the regular school week. Instructional activities which are related to the regular day school program and which are conducted for Somers public school students after school in school buildings or with school facilities shall be sponsored by the Board of Education.

All such services and activities shall be conducted at district expense.

Other activities intended to supplement or to extend the basic program may be offered either by the Somers Central School District or by other agencies and organizations in school buildings or with school facilities at times other than during school hours.

Adoption date: November 22, 1993
