SCHOOL VOLUNTEERS

The Board of Education recognizes that the use of volunteers strengthens school/community relations through positive participation, builds an understanding of school programs among interested citizens, and can assist district employees in providing more individualized and enriched opportunities in instruction. The Board encourages volunteers from all backgrounds and age groups who are willing to share their time, training, experience or personal characteristics to benefit the students of the district.

Volunteers may be involved in many facets of school operations, from mentor/tutor relationships to clerical tasks. Volunteers shall not be used to provide transportation for school-sponsored activities.

No volunteer shall be permitted to have unsupervised direct contact with students.

School personnel who are responsible for tasks or projects that involve the use of volunteers shall identify appropriate tasks and time schedules for such volunteer activities, as well as make provisions for adequate supervision and evaluation.

Persons wishing to volunteer must contact the Superintendent or Building Principal or other individual designated by the Superintendent or Building Principal.

All volunteers are required to act in accordance with district policies, regulations and school rules. Any staff member who supervises volunteers may ask any volunteer who violates district policies, regulations or school rules to leave school grounds.

School volunteers may not access student personally identifiable information.

Each Building Principal shall be responsible for maintaining a current and complete list of all active volunteers and their assignments.

Safe Mentoring Policy 4533 specifically addresses the volunteer mentors in the TEAM Tuskers Mentoring program. The program coordinator ensures all aspects of Policy 4533, Safe Mentoring, are adhered to.
