GRADUATION REQUIREMENTS

The Board of Education will determine the graduation requirements for the school district in accordance with any specific Regulations of the Commissioner of Education.

The Superintendent of Schools shall develop regulations setting forth the diploma requirements. Such regulations shall be approved by the Board and shall be provided to students and parents each year once a student reaches the eighth grade.

The High School principal will report to the Superintendent the names of any students entering their senior year who are at risk of not completing their graduation requirements. Such list will be updated at mid-year. Parents of such students will be notified regularly throughout the year.

Participation in the graduation exercises will be predicated on satisfactory completion of all graduation requirements.
