INTRAMURAL PROGRAMS

When possible, intramural sports shall be encouraged in all schools as part of the regular physical education program, the noon recreational program, and afterschool hours program in order that all students may have the opportunity to participate.

The intention of the Board of Education is to include as many children as possible in its participation. Intramural activities will have an emphasis on recreation and education, other than competition. No competition is to be scheduled involving students in other districts. The intramural program’s purpose is to provide opportunities in individual as well as team sports to encourage lifetime sports interest and participation.

The Athletic Director shall be responsible for the program of intramural sports. The Athletic Director shall see that the intramural sports program is properly organized and supervised, including the supervision of both participants and spectators. Care shall be taken that such events are conducted primarily for the benefit of participants.
