LOCAL TAX LEVY

Sufficient local tax revenue shall be raised to meet the requirements of the total school district budget, less an amount equal to all other income sources available to the school district,

After August 1, and following receipt of the final equalization rate and assessment rolls, a tax levy shall be set which will generate that portion of the school district budget requirement to be provided at the local level. The Town of Somers shall approve the tax levy and shall issue a warrant for the collection of taxes. The Town of Somers is also responsible for collecting such taxes and forwarding the proceeds to the Somers Central School District.
