1. Promptly complete the required State Education Department report form; and
2. Except where the school administrator is the person receiving such oral or written allegation, promptly personally deliver it to the school administrator of the school in which the child abuse allegedly occurred.
If the allegation involves a child who was allegedly abused by an employee or a volunteer of a school in another school district, the report of such allegations shall be promptly forwarded to the Superintendent of the district of attendance and the Superintendent of the school district where the abuse allegedly occurred (if different).

If an allegation is made to a school bus driver employed by a person or entity that contracts with a school to provide transportation services to children that a child has been subjected to child abuse by an employee or volunteer in an educational setting, such driver shall promptly report to his or her supervisor.

If an allegation is made to a supervisor of a school bus driver employed by a person or entity that contracts with a school to provide transportation services to children, that a child has been subjected to child abuse by an employee or volunteer in an educational setting, such supervisor shall promptly complete a written report on the attached form (9620-E.1) and shall personally deliver it to the school district superintendent of the school district where the child abuse occurred.

Upon receiving a written report, the Principal shall determine whether there is reasonable suspicion to believe that an act of child abuse has occurred. In those circumstances where the Superintendent receives the written report directly, he or she will be responsible for making the reasonable suspicion determination.

In any case where the employee the allegation is being made against is the superintendent or the administrator, the report of such allegations shall be made to the Director of Human Resources and Student Services.

If the Principal/Superintendent determines there is reasonable suspicion to believe that an act of child abuse has occurred, he or she shall promptly notify the parent of the alleged child victim (assuming that the parent is not the person who originally reported the alleged abuse) that an allegation of child abuse in an educational setting has been made and promptly provide the parent with the written statement setting forth parental rights, responsibilities and procedures prepared in accordance with the Regulations of the Commissioner of Education.

If the person making the allegation of abuse is someone other than the child or the child’s parent, the Principal/Superintendent shall contact the person making the report to learn the source and basis for the allegation.

The Principal shall also promptly provide a copy of the written report to the Superintendent and send a copy to the appropriate law enforcement authorities. In no event shall the Principal delay in sending the report to law enforcement because of an inability to contact the Superintendent.

The Superintendent shall send to the Commissioner of Education any written report forwarded to the local law enforcement authorities where the employee or volunteer alleged to have committed an act of child abuse holds a certification or license issued by the department.
Rights of Employees and Volunteers

Any employee or volunteer against whom an allegation of child abuse has been made and against whom the district intends to take adverse action shall be entitled to receive a copy of the report and to respond to the allegations. Willful failure of any Principal or Superintendent to submit a written report of alleged child abuse to an appropriate law enforcement authority, as required by Article 23-B of the Education Law, shall be a class A misdemeanor. In addition, the Commissioner of Education may, following an administrative determination, impose a civil penalty of up to five thousand dollars on any administrator who fails to submit a report of child abuse to an appropriate law enforcement authority.

The law further prohibits any Principal or Superintendent from agreeing to withhold from the appropriate law enforcement authorities, a superintendent or the Commissioner of Education, where appropriate, an allegation of child abuse in an educational setting on the part of any employee or volunteer as required by law, in return for the resignation or voluntary suspension of the alleged perpetrator. Violation of this prohibition can result in a class E felony charge and a civil penalty of up to $20,000.

Record Retention

Any report of child abuse by an employee or volunteer that does not result in a criminal conviction shall be expunged from the records kept by the district with respect to the subject of the report after five years from the date the report was made, or at an earlier time as the district may determine.
Training

The Superintendent shall be responsible for establishing and implementing on an ongoing basis a training program for all current and new required reporters on the procedures required under Article 23-B. The program shall include at a minimum information regarding the physical and behavioral indicators of child abuse and maltreatment, reporting requirements including but not limited to, when and how a report must be made, what other actions the reporter is can and should take, the legal protections afforded reporters, and the consequences for failing to report, and any other elements as specified in Commissioner’s regulations.

Further, all persons employed on or after July 1, 2019 as a school bus driver employed by any person or entity that contracts with a school to provide transportation services to children shall be required to complete two hours of coursework or training (from an approved provider) regarding the identification and reporting of child abuse and maltreatment. The coursework or training shall include information regarding the physical and behavioral indicators of child abuse and maltreatment, reporting requirements including but not limited to, when and how a report must be made, what other actions the reporter is can and should take, the legal protections afforded reporters, and the consequences for failing to report. Each employee in such titles shall provide the school administrator of the school with documentation showing that he or she completed the required training. In addition, each school bus driver shall provide such contracting person or entity with documentation showing that he or she completed the required training. The department shall be authorized to request such records on a periodic basis and may publish a list of any persons or schools who are not in compliance with this subdivision on its website.
