MATCHING

CANDIDATES & DISTRICTS

If you are seeking a job in a school district in New York State, do what successful applicants have done, use OLAS. The On-Line Application System for educators (OLAS) matches candidate strengths with school district needs, thus raising the likelihood that you will secure an interview. Participating New York State districts have committed to using this system as their primary source for filling vacancies. Many districts no longer accept paper applications.

BENEFITS

TO APPLICANTS

- Free to applicants
- Can view and apply to current vacancies
- Can apply to additional vacancies as they become available
- Can apply to multiple regions with one application
- Application can be updated at any time, e.g., certification, status, change of address
- Instant e-mail confirmation
- Candidate application history report available
- Application remains active for one year
- Application can be viewed by all districts or can exclude a specific district
- Applicant Wizard

"OLAS is fast, friendly and a click away!"
