

**SAFETY & SECURITY**  
**BOARD OF EDUCATION**  
**March 5, 2019**

# Safety Task Force

- **A Safety Task Force comprised of 15 parents, 3 students and 10 District staff members met multiple times during the summer of 2018.**
- **A Safety/Security community forum was held in August 2018.**
- **The Safety Task Force brought forth multiple recommendations for the District to consider.**
- **On February 5, 2019 the Safety Task Force met again to review cost proposals.**

# District Level Recommendations

- **Single Point of Entry for all buildings.**
- **Increased student training.**
- **Increasing the number of safety drills.**
- **Improved threat assessment process to address mental health concerns.**
- **Community presentation regarding current social & emotional wellness programs provided by the District.**
- **Updated parent unification kits and updated protocol flip charts.**

# Upgrades Implemented

- **School Resource Officers at each school building.**
- **Security Guards, for after school hours, at all school buildings.**
- **Threat Assessment teams established at each school building along with a Districtwide Team.**
- **All staff members have received Active Threat Refresher training.**
- **Highly visible Safety Vests along with 2 way radio communication gear provided for our Campus Monitors.**

# Upgrades Implemented cont.

- **Uniform signage for visitors posted at each school building.**
- **Lockdown instructions implemented at each greeter desk for visitors and contractors.**
- **Lockdown storage cabinets acquired for each school building.**
- **Emergency zone clipboards implemented.**
- **Director of Safety, Security & Emergency Preparedness hired on a part time basis.**

# Exterior, Interior and Technology Recommendations

- Improvements to secure the safety of field between SIS and SMS.
- Safety/security film on 1<sup>st</sup> floor exterior windows and doors.  
<https://www.youtube.com/watch?v=DUNQaXvjll8&feature=youtu.be>
- Safety/security film on certain interior glass and doors.
- Lockable classrooms/wall installations for 6 classrooms at SIS.  
<https://www.youtube.com/watch?v=Cue7ZovIV-o&feature=youtu.be>
- Lockdown panic system.
- Exterior door ajar notification alarms.
- Increase the number of security cameras.

# Other Recommendations

- **Full Building Access Control for all buildings.**
- **Generators for Primrose and SIS.**
- **Replacement of 60 year old electrical transformers at Primrose and other site improvements (high bushes around playground, improvements to retaining wall along Rt. 139).**
- **Replacement of roof over gym at SMS.**
- **SHS site improvements – motorized steel gate arms for roadways to athletic fields.**

# Estimated Costs

- **Window security film - \$685,573**
- **Full building access control systems - \$3,701,295**
- **Exterior door ajar notification alarms - \$186,732**
- **Lockdown panic system - \$1,400,490**
- **Additional security cameras - \$1,833,976**
- **Primrose – Transformer replacement & Generator - \$933,660**
- **SIS partial or full generator - \$733,590 or \$2,000,700**

# Estimated Costs cont.

- **All other – including classroom walls, gym roof replacement at SMS, and securing field at SIS, SHS site improvements, etc. \$1,318,867**
- **Total Cost range - \$10,794,182 - \$12,061,292**
- **The District has approximately \$2.7M in its Capital Fund to offset this cost.**
- **A bond range of \$8,094,182 - \$9,361,292**
