PLD's – Personal Learning Devices

Tablets for grade 9 students will be distributed at the start of school. Students in grades 10-12 should already have a school issued device. Students whose password is expired or forgot their password can submit a request to **SCSD Family Tech Support**. This is essential, as students will use this single network log in for all applications.

INFINITE CAMPUS
FAMILY PORTAL

Family Portal is the system by which students and parents access class schedules, grades, attendance, historical educational documents (report cards, testing, transcripts, etc.), lunch codes and Parent Schoology access codes. A link is on all school web pages. For access, students use their regular network log-in, and parents who do not have their access code can submit a request to **SCSD Family Tech Support**.

SCHOOLOGY

Schoology is a site that facilitates communication between teachers, students and parents. Students can access daily assignments, group class work, homework, testing calendars and more. Parent access codes are available in the Family Portal Campus Backpack. Students use their regular network login. For login assistance, submit a request to **SCSD Family Tech Support**.

PARENTSQUARE

ParentSquare is an app through which the school and district will send a majority of important updates, information and school-related communications.

LUNCH

Both hot and cold lunches are available, payable through **My School Bucks** (located on the district web page under Students tab). Students may also pre-order food through the **Nutrislice website** or the Nutrislice App.

FAMILY ID (Athletics)

Family ID is an online sports registration site. Parents can register students to play, and upload required medical forms.

LOCKERS

Locker assignments are sent directly to students via school email accounts.   Students unable to access their assignments or with any lockers concerns, see Mrs. McGrath in the main office

REPORTING ABSENCES

Parents can report student absences in advance or address past absences through the **SHS Attendance page**, located under Quick Links at the bottom of the SHS main web page.
