

## Recommended Courses Available Today

Dear Rising Seventh Grade Families,

Thank you for your patience as we worked through an error in the Sapphire Community Portal that prevented us from loading course recommendation forms. That glitch has been resolved, and the Course Request form is now available through your Sapphire parent account.

Please review the information with your student, choose any eligible elective courses and submit the form by **February 27**.

### Program of Studies

2024-2025

Please refer to the [2024-2025 Program of Studies](#) through our website for essential information detailing curricular offerings, key contacts, course selection and scheduling. In addition, we have included information on Career Education and Work Standards. This is an area of focus for the district as we work to help all students identify their plans after high school. We encourage you to use this as a guide throughout the scheduling process.

Please view our [rising seventh grade scheduling podcast](#) for more about how to make course selections.

## Updated Scheduling Dates

### **Tuesday, February 20, 2024—Recommended Courses Available**

Forms listing recommended courses for the 2024-2025 school year are now available to rising seventh-grade students in Sapphire.

### **Tuesday, February 27, 2024—Deadline**

Last day for course request forms to be electronically submitted by rising seventh-grade students.

### **Monday, May 20, 2024—Move-Up Day**

*Desert and Grasslands: 9:30 am – 10:30 am*

*Forest and Aquatics: 1:00 pm – 2:00 pm*

Rising seventh-grade students will experience a Move Up day with middle school counselors, teachers and administrators.

Thank you again for your patience through this process.

Sincerely,

David Kristofic, Ed. D.  
PRMS Principal

Ms. Nicole Berezo  
PRMS Assistant Principal

**Pine-Richland Middle  
School**
