

Seventh Grade Scheduling

Dear Rising Seventh Grade Students and Families,

As we begin the third marking period, it is time to focus on scheduling for the 2024-2025 school year. Our [2024-2025 Program of Studies](#) is available for families and students through our website. Within the document, you will find essential information detailing curricular offerings, key contacts, course selection, and scheduling. In addition, we have included information on Career Education and Work Standards. This is an area of focus for the district as we work to help all students identify their plans after high school. We encourage you to use this as a guide throughout the scheduling process.

Program of Studies

2024-2025

In the coming weeks, a Course Request form will be made available to you through your parental account in the Sapphire Community Portal. Once you receive the form, please review the information with your student, choose any eligible elective courses, and submit the form as soon as possible. In order to help you understand the seventh grade scheduling process, we will hold a Parent Scheduling Information night at the Middle School.

Scheduling Dates

Thursday, February 8, 2024—Parent Night

PRMS Auditorium at 7:00 pm

Parent Night will outline the Middle School scheduling process and course request form in the Sapphire Community Portal.

Friday, February 9, 2024—Recommended Courses Available

Forms listing recommended courses for the 2024-25 school year are made available to rising seventh-grade students in the Sapphire Community Portal.

Sunday, February 18, 2024—Deadline

Last day for course request forms to be electronically submitted by rising seventh-grade students

Monday, May 20, 2024—Move-Up Day

Desert and Grasslands: 9:30 am – 10:30 am

Forest and Aquatics: 1:00 pm – 2:00 pm

Rising seventh-grade students will experience a Move Up day with middle school counselors, teachers and administrators.

Thank you for your assistance in this process. We look forward to working with you.

Sincerely,

David Kristofic, Ed. D.
PRMS Principal

Ms. Nicole Berezo
PRMS Assistant Principal
