

Leveled Literacy Intervention (LLI)

Overview

The *Fountas & Pinnell Leveled Literacy Intervention System* (LLI) is a small-group, supplementary literacy intervention designed to help teachers provide powerful, daily, small-group instruction for the lowest achieving students at their grade level. Through systematically designed lessons and original, engaging leveled books, *LLI* supports learning in both reading and writing, helps students expand their knowledge of language and words and how they work. The goal of *LLI* is to bring students to grade level achievement in reading.

LLI is designed to be used with small groups of students who need intensive support to achieve grade-level competency.

Each Level of *LLI* provides:

- Combination of reading, writing, and phonics/word study.
- Emphasis on teaching for comprehending strategies.
- Explicit attention to genre and to the features of nonfiction and fiction texts.
- Specific work on sounds, letters, and words in activities designed to help students notice the details of written language and learn how words "work."
