Athletics

Welcome to 7th and 8th grade Athletics!! We are happy to have your future student-athlete in our class!! This class is designed for male and female students who have played competitive team or individual sports, or are wanting to play in athletics at the middle school level.

Overview-The purpose of Athletics is to prepare students for the expectations and the fundamental skills for sports offered in Hutto ISD Athletics. The 4 focus areas of this course are: 1. Building a Champion (academics, teamwork, character, competitor), 2. Increase strength training confidence, technique, and explosion 3. Improve speed and agility through balance, running form, body awareness, and stamina drills 4. Teaching sport-specific movements, fundamentals, and schemes

Students participating in Athletics must recognize that the workouts will build up to, and then be comparable to the workouts we give to our high school student-athletes. The physical demands are greater than Physical Education, and the expectation is to give your best every day (Building a Champion). Coaches expect students to work hard, have a positive attitude, *and* have fun just like you will be doing on a team.

4 Focus Areas of Athletics:

Building a Champion-students will have character lessons, be involved with teamwork, be in competitive teams, and will have class behavior monitored.

Strength Training-students will be taught proper technique in these weight room lifts: snatch, clean, deadlift, front squat, back squat, push-up, and pull-up.

Speed and Agility-students will be taught proper stance, start, running form, and drills to enhance balance, flexibility, speed, cutting, agility, jumping, and landing.

Sport Specific Skills-students will practice skills to sports through drills, skills, and competitive team activities. Some sports that may be introduced are: volleyball, football, basketball, track, golf, and soccer.

Do not go and buy brand new \$100 shoes for pre-athletics.

Locker/Locks-Students will be assigned a locker and a combination lock for their clothes/backpack. It is a student's responsibility to secure their belongings in their lockers! Hutto ISD is not responsible for items in locker room that are stolen or missing when lockers are not locked.

To Be Excused from Athletic Participation-For a student to be excused from participation he/she must bring a note from his/her physician stating why activity should be limited or avoided. On the note include: 1st/last name, dates to be excused, reason, date to return to play, and physician signature. **THE STUDENT MUST STILL DRESS OUT EVEN THOUGH AN EXCUSED NOTE IS PROVIDED.** If a student has an upper body injury, he/she can do lower body exercises.
