ATHLETIC HANDBOOK FOR STUDENT ATHLETES

The athletic handbook is designed to inform athletes and their parents or guardians of the rules, regulations, and information that helped develop the rich tradition of competition at Northeast High School. Participating in high school athletics is a privilege that carries with it honor, responsibility, and sacrifice. Since competition is a privilege and not a right, those who choose to participate will be expected to follow the Code of Conduct established by the administration along with additional specific coaches' rules for their sport. You are expected to represent Northeast High School, your family, and community in a positive manner. The policies in the handbook apply to all GHSA sanctioned sports and Northeast High School sanctioned club sports.

PHILOSOPHY OF NORTHEAST HIGH SCHOOL ATHLETICS

The philosophy of the Northeast High School Athletic Department is to provide the best opportunities for its student-athletes to excel in teamwork, sportsmanship, self-discipline and moral character.

PURPOSE OF NORTHEAST HIGH SCHOOL ATHLETICS

The primary purpose of athletics is to help young adults grow into respectable citizens. By following the guidelines set forth in this handbook, the ideals you exemplify in athletics will become a part of your personality and character and will be a model to those who watch you perform. You assume many responsibilities when you wear the colors of Northeast High School. Most athletes are responsible people and succeed because of this characteristic. Those who fail to meet their responsibilities, as an individual and team member, may be a detriment to themselves, the team and the school. Interscholastic athletics, historically a significant part of the total education program, contributes effectively to the lives of the participants by providing competitive opportunities, fostering initiative to succeed, providing leadership experience, and numerous opportunities for self-discipline. You have inherited a great athletic tradition built by many coaches and athletes over a period of years.

One of your challenges is to contribute to that tradition with your best efforts and enjoy a very satisfying experience. The "success" tradition of the Northeast High School Athletic Program involves responsibilities for all prospective and participating athletes. Those entering the program should have an idea of these responsibilities and have the willingness to accept and maintain them.

Taking advantage of the opportunities presented by the Northeast High School Athletic Program can contribute to the successes that will be yours as your participate in the future.

NORTHEAST WAY FOR STUDENT ATHLETES DEFINED

Athletes are expected to participate in whole school sponsored events such as student-led conference, Raider Fest, class night, and parent night.

ELIGIBILITY STANDARDS FOR PARTICIPATION IN ATHLETICS AT NORTHEAST HIGH SCHOOL

The Georgia High School Athletic Association and the Northeast High School Corporation both have minimum requirements for participation in high school athletics, conditioning programs and camps. - The transfer student must have been in good standing in their previous school to begin participation at Northeast High School. - Every Northeast High School student athlete is required by the GHSA and the Northeast High School Athletic Department to have a GHSA physical examination form completed and on file with the athletic office before conditioning, participation in a camp and when practice begins in any sport. PARTICIPATION STANDARDS AND GOOD SPORTSMANSHIP FOR NORTHEAST HIGH SCHOOL STUDENT ATHLETES

The coaches of each sport, with the authority of the athletic department and the high school principal, will enforce the specific elements of the Code of Conduct.

PARTICIPATION STANDARDS FOR NORTHEAST HIGH SCHOOL STUDENT ATHLETES

∆ Athletes are responsible for their uniforms and equipment. The athletic department will replace uniforms and equipment damaged or destroyed by competition. Student athletes will reimburse the athletic department for uniforms and equipment that has been lost or damaged.

∆ The coaches of individual teams may supplement the Northeast High School Athletic Department Students Athletic Handbook with their own addition or rules that are specific to their sport. These rules carry the same weight as do those of the athletic department and may carry specific penalties that would be administered and enforced by the coach of that team.

∆ Northeast High School student athletes are expected to be a positive role model to the other students in our school and to the young people of the Northeast High School district.

∆ Student athletes are expected to read, understand and abide by the rules found in this handbook.

STANDARDS OF GOOD SPORTSMANSHIP

Good sportsmanship will always be the focal point of the Northeast High School Athletic Department. It will be reflected in how we treat our teammates, coaches, officials and opponents.

∆ Student athletes at Northeast High School will place the positive and supportive relationship with their teammates and coaches as their highest priority. Regardless of the sport, individual or team, we are only as strong as how we treat each other.

∆ After all contests, Northeast High School athletes are expected to shake hands with the athletes and coaches from the team(s) that we have competed against.

∆ After all contests, regardless of whether we agree or disagree with their calls, Northeast High School athletes will thank the officials for their work in officiating the contest. Players are expected to stand or kneel whenever the alma mater is playing.

∆ After any contest where ribbons, medals or trophies are presented to the opposing team(s), Northeast High School athletes will stay and watch and applaud the efforts of the athletes and team(s) involved in that contest. At no time with Northeast High School athletes ever leave the field or floor while a presentation is being made.

∆ Northeast High School athletes will not use inappropriate language while taking part in any contest.

∆ Though all sports have some level of physical contact, and recognizing that hard physical aggressive contact is a major and important part of all sports, at no time will a Northeast High School athlete engage in physical play that would result in unsportsmanlike conduct that would jeopardize the safety of the opposing athlete or the integrity of the Northeast High School team.

College-Bound Athletes and Recruiting: College recruiters visit Northeast High School at times to talk about the school with our student athletes. These visits should be arranged between the school, the family and the coach. Student athletes will not be dismissed from class to meet with a college recruiter. These appointments should be made during study halls, lunchtime or after dismissal from school.
Conflicts Between Activities: Student athletes at Northeast High School are involved in a great number of school related activities away from sports. Conflicts are going to happen between a student athlete's commitment to their sport and other school related activities. If the conflict is between an academic class resulting in a credit and grade and an athletic contest or practice, the academic class takes precedent. ACKNOWLEDGEMENT OF THE RISK OF INJURY FOUND IN HIGH SCHOOL SPORTS

Participation in high school athletics carries with it the very real potential for injury. It is reasonable to believe that at least one time during the four-year career of our student athletes, that they will face an injury that will result in missing one or more days of practice or contests. It must be clearly understood by our student athletes and their families that even with the proper coaching and support of our coaching staff, the use of proper equipment and tremendous facilities, injuries will take place. These injuries can range from, but not limited to, mild soreness, bruises, sprains and strains, dislocations, broken bones and concussions. It should also be clearly understood that some of these

athletic injuries might result in catastrophic injuries including partial or full paralysis and in some instances the athlete may die. We need you help as a student athlete and as a family. Proper rest, nutrition and the adherence to the rules and guidelines established by the Northeast High School Athletic Department and the coaches of your sport, will go a long way to ensure that injuries do not happen.

SUMMARY
